

MIDWINTER GREETINGS

from the
United States of America Amundsen-Scott South Pole Station
Winterover Crew of 2009

By plane, tracked vehicle, or dog sled – however you can make it, there's a hot meal and warm drink awaiting your arrival.

Park where you can find space and bring a lively spirit, all are welcome to enjoy Midwinter with the Winterover Crew of 2009 at 90° South.

We'll see you when you get here; until then – take care of yourselves and enjoy the rest of the winter.
